Dear EOPS Student,

As you know, EOPS students are required to meet with EOPS counselor three times during each semester (Fall/Spring), and one time during each intersession (Winter /Summer). This counseling contact requirement must be met regardless of student's registration status (i.e. being registered in less than 12 units), and student's academic standing (i.e. being on probation/dismissal).

Here is how your EOPS Counseling Contact Requirement may be met:

- Meet with your EOPS counselor on **APPOINTMENT** or **WALK-IN BASIS**
- Attend one of the **EOPS GROUP COUNSELING** sessions offered by EOPS counselors (click here to see partial schedule)

IMPORTANT:
You may participate in more than one group counseling session; however, no more than one contact will be counted for participating in these sessions to meet the three contact requirement.

You may visit your EOPS counselor as many times a week as needed, however, only one contact per week will be counted to meet the three contact requirement.

You are encouraged to use as many GCC student services as you may need or referred to by your EOPS counselor, however, no visits with counselors outside of EOPS will count towards meeting EOPS Counseling Contact requirement. If you are also with CSD and/or Scholars programs please review specific information in the following document pertaining to counseling contact requirements for students in these programs:

Click on the EOPS Counseling Contact Requirement for fall 2011 contact deadlines.
For future reference you may also go to EOPS website and view this information on the Counseling Contact web page.

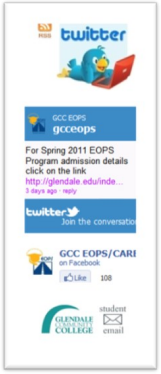
We publish reminders regularly on EOPS Twitter and Facebook which you can also access through EOPS Home Page (see a snapshot from our home page displaying Twitter and Facebook icons)

These types of updates are also posted on EOPS News Kiosk.

Reminder: EOPS Mutual Responsibility Contract requires students to meet with EOPS counselor specific number of times during semester and intersession in order to maintain their continued eligibility with the program. This information is also available on the Program Info web page.
Remember to visit EOPS website for additional information and helpful links.

IMPORTANT: All counselors are serving students on walk-in basis during the first two weeks of classes. Beginning Tuesday, September 6, 2011 we will be scheduling appointments for the week of September 12, 2011.

To schedule your counseling appointment stop by the EOPS Office, or call us at (818)240-1000X6900.



Thank you,
EOPS Staff
