

Glendale Community College

4226

Board Policy

MULTIPLE AND OVERLAPPING ENROLLMENTS

The Superintendent/President or designee shall establish administrative regulations to ensure that students may only concurrently enroll in one section of the same credit course during the same session or term.

The Superintendent/President or designee shall establish administrative regulations to ensure that students may only enroll in two courses where the meeting times overlap under the conditions specified in the Glendale Community College Administrative Regulation 4226.
