Southern California College of Optometry Articulation Agreement for Glendale Community College

Updated 5/14/13

- A bachelor's degree is required for admission.
- Students may apply with prerequisite coursework in progress; however, all prerequisite requirements must be completed before SCCO fall courses begin (mid-August).

Our goal is to provide an up-to-date Articulation Agreement. However, course content and descriptions constantly change; therefore, we cannot guarantee that this information is fully up-to-date. It is up to each applicant to prove that he or she has met SCCO's prerequisite requirements.

If you have any concerns about whether a course will meet the requirements, please have it reviewed by a SCCO admissions adviser. Questions regarding the acceptability of a prerequisite course can be directed to ODadmissions@scco.edu. Please paste into the email the following information: which prerequisite you want to fulfill, school where the course is offered, how many units (specify semester or quarter), and course description copied from the school's online catalog.

The following courses must be completed with a grade of "C-" or better:

SCCO Requirement	Glendale College Courses	Credit Requirements
Calculus (AP credit accepted)	MATH 103	3 semester units or 4 quarter units
General Biology/Zoology (no lab required)	BIOL 101, 102	2 semesters (minimum of 6 semester units) or 3 quarters (minimum of 9 quarter units)
General Microbiology/Bacteriology w/lab	BIOL 112	3 semester units or 4 quarter units
General Physics w/lab	PHYSICS 105, 106	2 semesters (minimum of 6 semester units) or 3 quarters (minimum of 12 quarter units)
General Chemistry w/lab	CHEM 101, 102	2 semesters (minimum of 6 semester units) or 3 quarters (minimum of 12 quarter units)
Organic Chemistry (no lab required)	CHEM 105	3 semester units or 4 quarter units
Psychology	PSYCH 101	3 semester units or 4 quarter units
English Composition or Literature (AP credit accepted for 1 of the 2 required courses)	ENG 101 or ENG 104, 120	6 semester units or 8 quarter units
Statistics	MATH 136	3 semester units or 4 quarter units
Human Anatomy w/lab *	BIOL 120	3 semester units or 4 quarter units
Human Physiology w/lab *	BIOL 121	3 semester units or 4 quarter units
Bio Chemistry (no lab required)	Not Offered	3 semester units or 4 quarter units

- * Human Anatomy and Physiology (Human A&P) may be completed one of two ways:
 - Combined Human A&P (6 semester units or 8 quarter units with 2 labs)
 - Separate Human Anatomy and Human Physiology (3 semester units or 4 quarter units EACH with 2 labs)
