Glendale Community College District 2240

Board Policy

Computer and Communications Technology Use

Glendale Community College encourages the use of computer and communications technology, including computer networking, in order to enhance both the District's operation and the learning environment for students, faculty, and staff. In order to prevent the misuse of such technology, the College shall develop and regularly update procedures related to campus computing, networks, dial-up access, and all other such electronic communication systems.

Adopted: 5/15/95
