

TUITION/FEE SCHEDULE
Academic Year 2022-2023
for International (F-1 Visa) Students

Non-Resident Tuition: As an F-1 visa student you must enroll full-time, defined as a minimum of 12 units each Fall and Spring semester. 12 units of non-resident tuition cost \$260 per unit, or \$6,240 for the academic year.

Note: *F-1 visa holders cannot establish in-state residency for tuition purposes.*

Enrollment Fee: The standard enrollment fee is \$46 per unit, as required by the State of California and is paid by ALL students attending the College. If you enroll in 12 units, you will pay \$552 per semester, or \$1,104 for the academic year, in addition to your non-resident tuition fees. The enrollment fee is subject to periodic/annual changes as a result of State legislative action. Any fee change applies to all California public community colleges.

HEALTH INSURANCE (Mandatory): All international students are automatically enrolled in the mandatory group health insurance plan offered by Glendale Community College. The insurance plan is automatically billed to your student account as part of your semester tuition/fees payment. Please refer to the Insurance webpage under Current Students at www.glendale.edu/international for more information about the group plan.

Health Services Fee: As a student at GCC, you have access to the Student Health Center. All students are required to pay the student health services fee of \$21 per semester to support this important service. This is in addition to the above health insurance coverage required of all international students.

International Student Activity Fee: An activity fee of \$25 per semester is collected to support the activities of the International Student Association (ISA). The ISA leads programming activities both on-campus and off-campus.

The following is a fixed and estimated budget based on 10 months, or one academic year (two semesters)

Non-Resident Tuition	\$260 per unit (based on 12 units per Semester x 2)	\$ 6,240
Enrollment Fee	\$46 per unit (based on 12 units per Semester x 2)	\$ 1,104

Other Required Fees:

Capital Outlay Fee	\$40 per unit/per Semester x 2	\$ 960
Health Services Fee	\$21 per Semester x 2	\$ 42
Student Services Fee	\$12.50 per Semester x 2	\$ 25
Student Activity Fee	\$25 per Semester x 2	\$ 50

TOTALS for Tuition/Fees (only) **\$ 8,421**

Estimated Books and Supplies (two semesters) \$ 950

Health Insurance Coverage (12 months of coverage is provided in the mandatory group plan) \$ 1,506

*Estimated Off-Campus Living Expenses (10 months) \$ 13,000

TOTAL COSTS (tuition/fees, off-campus living est., etc.) **\$23,877**

Please note: Living expenses are estimates and are based on shared living arrangements to include rent, meals, utilities, personal expenses and local transportation costs. These figures do not include travel outside of Southern California or the costs of international airfare nor the costs of owning an automobile. Please plan your personal budget accordingly.

Additional Note & Reminder: *All costs are subject to potential change without formal notification.*

• *Note: This list does not include all available majors at four-year institutions. If your goal is to transfer (after the Associate Degree and 60 units of credit), you can complete the first two years of Undergraduate coursework at G.C.C. Normally, it takes four years to complete the requirements for the U.S. Bachelor's Degree. [Glendale Community College traditionally has one of the highest "transfer rates" to four-yr. Universities within the California system of community colleges.]*

GENERAL INFORMATION & REQUIREMENTS

for International (F-1) Students

Accreditation: Glendale Community College, founded in 1927, is a comprehensive public community college within the California system of community colleges. The College is fully accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges (WASC)—an institutional accrediting body recognized by the U.S. Department of Education.

Arrival & New Student Orientation: Once a student has been formally accepted and obtained the necessary F-1 student visa, the student may enter the United States 30 days prior to the start of the semester classes. With most U.S. Embassy & Consulate posts overseas, students may obtain the F-1 student visa “stamp” in their passport 120 days prior to the start of the semester. For further U.S. visa information, please use the following Web site: www.travel.state.gov/visa/. New students should plan to arrive at Glendale College approximately 3 weeks prior to the start of the semester—to take advantage of the New Student Orientation Days, placement testing and the advising/registration process for classes. **Late arrival may result in very limited class selection. All new students are expected to attend the “Orientation Days” scheduled two weeks before the start of Fall and Spring Semesters.**

Please Note: The College cannot provide airport pick-up services at LAX, L.A. International Airport. Students can arrange airport ground transportation to the Glendale area (approximately one hour) with airport shuttle van companies or rideshare companies.

Financial Assistance/Scholarships: Students on the F-1 visa category (as non-immigrants) are not eligible for U.S. federal government or California State financial aid programs. Students may apply for a very limited number of Glendale scholarships or grants after completing one semester or 12 units of college credit. These awards can be based on academic achievement, major of study and/or financial need.

Finally, a very limited number of part-time jobs (15 to 20 hours per week maximum) are sometimes available on campus for International students. No guarantee of part-time employment can be provided by the College.

HEALTH INSURANCE (Mandatory, Group Plan): All F-1 International Students (and their eligible F-2 dependents) are required to purchase the group health insurance plan coverage from Glendale Community College at the time of class registration. The insurance premium amount will be billed automatically as part of your overall Semester tuition/fees payment. This group health insurance plan is to protect International Students from the high costs of medical treatment in the U.S. The GCC group plan is administered by the internationally-recognized company, “Relation Insurance Services,” and the insurance coverage and benefits are provided by “Aetna Passport Primary PPO Network.” For more specific details on exact coverage and benefits of this group plan, please visit the International Students Web site links at: www.glendale.edu/international

Off-Campus Housing: As with most community colleges in California, Glendale Community College does not provide on-campus housing or dormitory facilities for its students. Students may find a variety of off-campus apartments and housing for rent in the local area. Currently, a one-bedroom apartment in the surrounding Glendale area will rent from \$1,500 to \$2,000 + per month. Costs will vary depending on size and other accommodations.

Homestays: Students may also choose to live with an American family as part of a “homestay”/host family option. The International Student Office is pleased to work with the following host family placement company: “International Student Placements” (ISP). The ISP company will make student placements following a screening process of families, houses and area locations. To obtain additional information and ISP application materials for “homestays,” contact ISP directly at the following:
