Where costs of the selected plans exceed the maximum amount contributed toward the approved plan by the District, the employee shall pay the excess amount directly to the District Accounting Office. The District shall contribute two hundred dollars (\$200) a month toward a supplemental medical coverage for retired employees who have worked for the District nine (9) or more years. This payment shall be made in a lump sum at the beginning of the fiscal year for a ten-year period. This provision is not retroactive.
