Welcome to the 83rd season of Glendale College Football! We thank you for your support and the players, coaches and staff are working hard to make the 2011 season a memorable one.

I consider it a privilege to coach our fine young men at Glendale College and I know through hard work and perseverance, we can achieve all of our goals on and off the field. Competing in the Pacific Conference of the Southern California Football Association will be a great challenge but with a positive work ethic and good strength of character, we will work hard as a collective unit to achieve all the goals we have set for ourselves.

It has long been our goal at the college to provide a positive atmosphere where our student-athletes can flourish in the classroom and on the football field and I believe we have achieved that again this season.

Let us take this opportunity to thank the administration, faculty, staff and especially the associated student body for supporting Glendale College Football over the years. Without your contributions, reaching the goals set by the players and coaches each year would be that much harder.

Thanks and Go Vaqs!

John Rome Head Football Coach

It is my pleasure to welcome you to another exciting season of Glendale College Football! Since 1928, the Vaqueros have been one of the premier teams in the state. We expect great things from the program under Head Coach John Rome, and his staff, as we enter our 83rd year of competition on the gridiron.

Over the years the "Vaqs" have enjoyed many outstanding football campaigns including numerous conference and bowl championships. Equally important to their success on the field has been their achievements in the classroom. We are proud that so many of our athletes have transferred to four-year institutions, continuing their athletic and academic careers, and attaining their degrees in a variety of academic endeavors.

Coach Rome and the entire football staff remain dedicated to helping our team maintain this tradition of excellence during what promises to be an exceptional 2011 season.

Thank you for attending tonight's game and supporting Vaquero football. Enjoy the game and I look forward to seeing you at many other athletic events this year.

Go Vaqs!!

Sincerely,

2

On behalf of Glendale Community College it is my pleasure to welcome you to Sartoris Field and another exciting season of Vaquero football!

Spearheaded by our football program, intercollegiate athletics have played an integral part in GCC's 84-year history. More than three hundred student athletes compete on our sixteen intercollegiate sports teams each year. We are very proud of the success of these talented men and women on the field and in the classroom. With guidance from our outstanding coaches, trainers, and support staff our student athletes have a unique opportunity to transfer to four-year institutions, continue their athletic and academic careers, and complete their degrees. Coach John Rome and the entire football staff are dedicated to helping our team maintain this tradition of excellence during what promises to be an exceptional 2011 season.

Thank you for attending tonight's game and supporting Vaquero football. Enjoy the game and I look forward to seeing you at many other athletic events this year.

Go Vaqs!!

2011 VAQUERO FOOTBALL PROGRAM

a message from the FOUNDATION PRESIDENT, ELLYN SEMLER

Welcome to another exciting year of Vaquero football! We're glad you're here to share this season with us. This is the second year for us in the highly competitive American Division of the Pacific Conference. We are up for the challenge and Coach Rome's team has been practicing hard and is working to make it a successful season!

The Glendale College Foundation is proud to be part of the athletic programs at Glendale College. Take a look across our beautiful field and you will see the fantastic state-of-the-art scoreboard. This scoreboard was made possible by the combined efforts of the Foundation Board of Directors, the Foundation staff and a number of supporters of the College, specifically GCC alum and Philadelphia Eagles Head Coach Andy Reid, who donated the funds to make the scoreboard a reality at Sartoris Field. You could be part of it, too, by investing in a tile on the wall. It's a great way to support our athletic program and memorialize or pay tribute to someone close to you. Just call to the Foundation office, we'll take it from there!

In these tough times, college athletic programs are at risk. The Glendale College Foundation is working hard to raise funds for the College and for the athletic department. Being a "Vaquero" and competing on one of our 16 men and women's sports has kept many students in school and focused on academics. We are committed to maintaining and expanding the athletic offerings at Glendale College.

There are many ways for you to participate with the Foundation. Why not attend the popular Athletic Hall of Fame dinner in the spring? Or, invest in a campus banner to promote your business, or donate a tile on one of our many walls. Are you a golfer? Join us next June at our annual tournament. How about endowing a scholarship or make a planned gift from your estate? It's easier than you might think. We can help with all the details. Give us at (818) 551-5201.

I invite you to find out more about the Glendale College Foundation and the work we are doing. Please log onto: www.glendale.edu/foundation.

Go Vaqueros!!
