

Glendale Community College Instructional Division Course Level Student Learning Outcomes Assessment Timeline

Division name:
Health Sciences/Nursing

<u>What is the SLO Course-Level Assessment timeline for your division?:</u> Please list <u>each course</u> taught in your division below and explain the timeline by which its SLOs will be assessed. It is recommended that your division designs its assessment planning in the following way • All courses which are GCC degree applicable courses, GE courses, basic skills courses, or other core courses in each division should be evaluated within a 3 year cycle • All other courses should be assessed at least once in a 6 year cycle • Continue to add courses below until you have developed an assessment timeline for each course in your division			<u>Ideal examples of SLO assessment timelines are:</u> • Are practical and sustainable • Ensure that course SLOs are assessed regularly • Include teams for assessment data collection and analysis and assessment report writing that include faculty members who are instructors of the courses/programs assessed		
Insert course name and number below	Explain if course is a degree applicable course, a GE course, a basic skills course or other type of core course in your division	In general, how frequently is course offered? How many sections are offered annually?	In what semester and what year will you assess this course?	Who will interpret the SLO assessment data and write a report of the findings? (Include report writer's name and, if possible, other participants)	Any additional commentary (e.g., other assessment data that you may have for this course)
