CALL TO ORDER

Ed Karpp called the meeting to order at 12:18 p.m.

1. APPROVAL OF MINUTES

- **MSC (Scott/ATiernan)** to accept the minutes of the October 24 2011 meeting.

2. OLD BUSINESS

Urgent Requests Outside of Regular Timeline

There were no updates to discuss. A discussion regarding Program Review ensued. Jill asked for a decision as to whether or not additional programs from the Garfield Campus (besides Community Services Education and Parent Education would report. It was agreed that the Garfield Campus would mirror what reports on the main campus. Jill will forward a reporting list to Alfred and Margaret for consideration to report in fall 2012.

Monette and Jill brought up program review resource requests and the fact that the Program Review Committee would be validating all resource requests. The requests would then be forwarded to the Budget Committee which in turn would distribute the requests to the appropriate standing committee for validation. How the standing committees could prioritize is uncertain. Sarah suggested some examples by other colleges for prioritization matrices which include point scales and individual rubrics. We could ask the standing committee to use a similar point scale but let them write their own rubrics.

- **MSC (Scott/Neven)** to have Ron ask Campus Exec. to direct the standing committees and the 4 C's to develop a common scale for prioritization of resource requests and define their own criteria in order to establish a consistent and transparent process across the campus.
