PETITION FOR ADVANCED PLACEMENT CREDIT

Name: _____ GCC I.D. #: _____

Glendale Community College recognizes the Advanced Placement Program of the College Entrance Examination Board. It is the student’s responsibility to petition for credit through the Office of Admissions and Records. Students must discuss the applicability of AP credit with an academic counselor prior to submitting a petition to the Office of Admissions and Records. Course credit is granted for Advanced Placement Examinations with a score of three or higher if the division concerned has determined that the material covered is comparable to a specific course offering within that division. In general, scores of 3 satisfy Glendale Community College’s graduation requirements for the associate degree and will be posted on the student’s transcript to reflect this.

Advanced Placement units do not transfer as Glendale Community College courses. Advanced Placement scores of 3 (three) satisfy requirements for CSU breadth and IGETC certification; and will be noted accordingly on the appropriate form if certification is requested.

Advanced Placement scores are routinely re-evaluated when transferring to any other college/university. All students are advised that no credit or lower credit may be awarded for these exams, which could result in the student not meeting minimum unit requirements for transfer.

Official Advanced Placement scores must be on file in Admissions & Records. Credit for Advanced Placement will be granted only during the fall and spring semesters to students who have successfully completed or are enrolled in at least 12 units at Glendale Community College.

Units for which credit is given pursuant to the Advanced Placement Examinations will not be counted in determining the 12 semester hours of credit in residence required for graduation.

Once AP credit has been approved for posting to the student’s permanent academic record, the credit will not be removed nor will the student be allowed to receive credit for a course that has been posted as AP credit.

Students Signature: _____ Date: _____

By signing this form, the student understands how AP credit is awarded by GCC and the limitations placed on the ability to transfer this same AP credit to a four-year college or university and the limitations on enrolling at GCC in equivalent courses.

Counselor’s Recommendation: _____

Counselor’s Signature: _____ Date: _____

List course(s) for which you are requesting Advanced Placement credit. Official test scores must be on file in the Office of Admissions and Records.
