CELEBRATING THE GCC ATHLETIC HALL OF FAME

Since 1928, Glendale College has been at the forefront of athletic success among two-year schools throughout the state as exhibited by the outstanding student-athletes it produces, the coaches that mentor students, supporters of its athletic programs and teams that exemplify what it means to be a Vaquero.

That success is celebrated though the annual GCC Athletic Hall of Fame, started in 2002 with its 14th annual event taking place on October 11, 2015. The cover of this year's football program reflects a past and present look at GCC football. Included in this collage is several outstanding returnees from the 2014 GCC Football team that finished the season 9-2 and advanced to the Patriotic Bowl is a team photo from the 1977 football team, 2015 inductees into the HOF as Outstanding Team.

The 1977 team was the first WSC Championship team led by former head coach Jim Sartoris and defensive coordinator John Cicuto, although many more would follow. The significance of this team was not only the five future hall of famers that it produced including Andy Reid, Bob Gagliano and Jimmy Evangelatos as well as Sartoris and Cicuto but how for almost 40 years, the team members from this group have provided unwavering support for Glendale College and GCC Athletics.

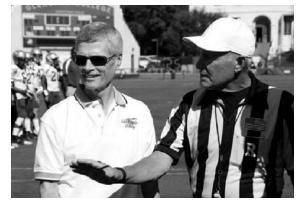

Please call Sports Information Director Alex Leon at 818-240-1000 x5764 if you have any interest in attending and or supporting the GCC Athletic Hall of Fame or GCC Football.

Thanks for all of your support of our student-athletes this season.

Go Vaqs!

John Rome Head Football Coach

a message from the SUPERINTENDENT/PRESIDENT

Welcome to another exciting season of Glendale College Vaqueros' football. We appreciate your support and encouragement of our winning student athletes.

The most common definition of a winner is a person or team with the best score or time, but a broader definition is a person or team with a strong record of success. At GCC we have both – a winning team of faculty and support staff and students who are helped to achieve successfully their educational and career goals.

At GCC we recognize intercollegiate athletics is an integral component of our mission. Athletics provide full-time students distinct student success learning communities (teams) that enhance the student athletes' abilities to achieve an associate degree, transfer to a university, and success in a career, while building later life success qualities of leadership, teamwork, cooperation, confidence, discipline, responsibility, good health, and character.

Roget's Thesaurus offers "achievers" as a synonym for "winner" and that gets to the heart of the matter. Helping students achieve their goals is what we are all about. Glendale Community College produces winners.

Go Vaqs. Here's to a great season filled with achievement, success, and winning.

David Viar Superintendent/President

"Even if you're on the right track, you'll get run over if you just sit there."

~ Will Rogers

Here's to a great season.

Go Vaqs!

Welcome to Glendale Community College and another exciting season of Vaquero football! Whether you are a longtime Vaquero supporter or a first-time visitor here at Sartoris Field, I am sure you are going to enjoy a great show of athleticism and sportsmanship during today's game.

Under the guidance of our outstanding coaches, trainers, and support staff, nearly three hundred men and women compete on our sixteen intercollegiate sports teams each year. GCC is committed to providing these talented student-athletes with a complete educational experience to help them develop athletically and academically. As always, Coach John Rome and his staff are working hard to ensure that our football team members succeed on the field and in the classroom.

Have a great time at the game and I hope you plan to join us at many other Vaquero sporting events in 2015-2016. Go Vaqs!

Dr. Paul Schlossman
Dean of Student Affairs

a message from the FOUNDATION PRESIDENT, PAT CROUCH

Welcome to another exciting year of Vaquero football! We're glad you're here to share this season with us. This is the third year for us in the highly competitive American Division of the Pacific Conference. We are up for the challenge and Coach Rome's team has been practicing hard and is working to make it a successful season!

The Glendale College Foundation is proud to be part of the athletic programs at Glendale College. Take a look across our beautiful field and you will see the fantastic state-of-the-art scoreboard. This scoreboard was made possible by the combined efforts of the Foundation Board of Directors, the Foundation staff and a number of supporters of the College, specifically GCC alum and Kansas City Chiefs Head Coach Andy Reid, who donated the funds to make the scoreboard a reality at Sartoris Field. You could be part of it, too, by investing in a tile on the wall. It's a great way to support our athletic program and memorialize or pay tribute to someone close to you. Just call to the Foundation office, we'll take it from there!

In these tough times, college athletic programs are at risk. The Glendale College Foundation is working hard to raise funds for the athletic department by embarking on a \$100,000 challenge to raise funds through the 2015 Athletic Hall of Fame. Through the 2014 HOF, the Foundation helped purchase new lights for the gym as well as new equipment for the

men and women's soccer, track and cross country teams, baseball and softball teams as well as helping to purchase new equipment for the Athletic Training Facility. The Foundation also approved grants for new computes for a proposed Student Athlete Resource Room as well as equipment for the Fitness Center. Being a "Vaquero" and competing on one of our 16 men and women's sports has kept many students in school and focused on academics. We are committed to maintaining and expanding the athletic offerings at Glendale College.

I invite you to find out more about the Glendale College Foundation and the work we are doing. Please log onto: www.glendale.edu/foundation

Go Vaqueros!!
