Best Practices: Dealing with Students Who Won't Write & Providing Feedback to Students

October 26, 2012

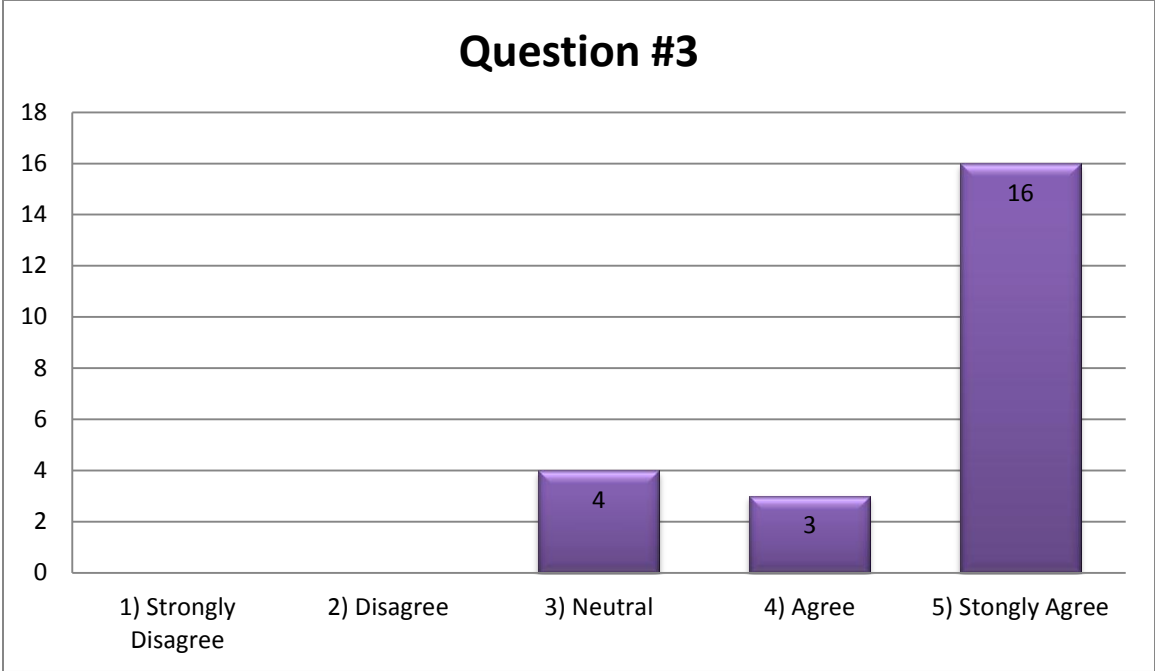

Question #1) This workshop is an effective follow-up to our assessment findings (June 2012) regarding student writing problems.

Question #2) I will apply some or all of these techniques in my classroom.

Question #3) I learned valuable strategies in today's workshop.

Question #4) I think filming these workshops is a good idea.
