

EDUCATIONAL CONTRACT/SYLLABUS FOR
CABOT 93: Lab ONLY with Special Emphasis
(1.0 Unit)
Semester: ____.

Student Name: ____.

GCC Student ID #: ____.

Goal: Successful Completion of CABOT 93: Lab ONLY as a **self-paced INDEPENDENT study** in *using computer application programs and other equipment to complete assignments in other courses or projects involving daily living skills development, such as:*

-

Objectives:

1. ____ The student will develop increased competency in using any necessary adaptations required to access the computer.
2. ____ The student will become more familiar with and efficient in the basic use of personal computers and will correctly perform basic application and operating system program commands.
3. ____ Although the student may use HTC-generated materials, the student is not expecting individualized "mini lectures" from HTC staff. (Example: **Total** one-on-one instruction/training by HTC staff is not expected to exceed an average of 30 minutes per week.)

Attendance:

1. In order to receive credit for this class, the student must have a **minimum total of 48 lab hours for this class** by the end of the semester.

2. The last day to earn lab hours is December 12, 2012 (the first day of Final Exams)!

I understand that this contract is also the syllabus for my self-paced independent curriculum and reflects my program of study for the semester. I have read this contract/syllabus very carefully and fully understand and agree to its content.
