Glendale, CA 91208

Education That Makes a Difference

Our students are the unemployed, the new immigrants, and adults with low literacy skills or no secondary education. They juggle caring for their children, working part-time, and going to school. The Continuing Education programs at the Garfield Campus provide Career Education classes, ESL, Citizenship, Adult Basic Education, GED, and High School Diploma courses that provide these adults with the opportunity to change their lives.

These students depend not only on the excellent instruction they receive, but on the generosity of individuals and organizations to provide much-needed funding for the equipment, materials, and supplies necessary for their educational success.

About Glendale College Foundation

Founded in 1983, the mission of the Foundation is to raise funds for GCC programs and facilities, to create public awareness of the needs of the college, and to promote the college to businesses and the surrounding community.

With your support, we can continue to help thousands of students succeed.

Our Challenge

The Garfield Campus of Glendale Community College serves a diverse student body: unemployed workers looking to retrain or upgrade their skills, new immigrants learning English, and adults striving to improve their basic reading, math, and writing skills or earn their GED or high school diplomas. Despite multiple demands on their time, Garfield Campus students are dedicated and focused on achieving their educational goals. Whatever the students' goals, the programs and personnel at the Garfield Campus are here to assist them.

However, in order to help these students achieve their goals, the Garfield Campus needs the generous support of people like you.

Our students need the latest equipment, computer programs and materials to help strengthen their job skills and make them an effective part of the workforce. English language learners require audiovisual materials to enhance their ability to acquire vocabulary, pronunciation, and fluency. Basic skills adults

need specialized computer programs and materials to assist them in attaining the reading, math and writing competencies needed to become contributing members of society.

How Can You Help?

State budget cuts make your philanthropic support even more vital to fulfill the mission of the Garfield Campus. Through a tax-deductible donation, you can:

- Help furnish computers or other equipment for the classrooms or labs.
- Purchase textbooks or other instructional materials for low-income students.
- Provide software or audiovisual materials for the classrooms or labs.

Opportunities

Donor opportunities at Garfield Campus include placing your name on the Wall of Honor, with funding levels ranging from \$100 to \$2,500. You may also want to consider the naming opportunities that come with a larger gift, such as underwriting an office, classroom, or building.

WALL OF HONOR OPPORTUNITIES (check one):

Size of Tile	Dollar Amount
— 5" x 1.25"	\$100
— 5" x 2.5"	\$250
