Board Policy

**STUDENT MEMBER OF THE BOARD**

The Board of Trustees (Board) shall include one non-voting Student Member. The term of office shall be one year commencing on June 1.

The President of the Associated Students of Glendale Community College (ASGCC) shall serve as the Student Member of the Board of Trustees. In the event that the ASGCC President cannot serve as student trustee, the position shall be filled by an eligible executive officer of the ASGCC according to the following order of succession:

1. ASGCC Vice President of Administration
2. ASGCC Vice President of Finance
3. ASGCC Vice President of Campus Activities
4. ASGCC Vice President of Campus Relations
5. ASGCC Vice President of Campus Organizations

The Student Member shall be seated with the Board and shall be recognized as a full member of the Board at meetings. The Student Member is entitled to make and second motions, participate in discussion of issues, receive all materials presented to members of the Board (except for closed session materials for which the Student Member cannot attend), and attend closed sessions involving student expulsions.

The Student Member shall, before a vote takes place, have the same rights as a Board Member would have to speak to a moved and seconded motion. The Student Member shall be afforded the privilege to cast an advisory vote, although the vote shall not be included in determining the vote required to carry any measure before the Board. The Student Member shall be entitled to any mileage allowance necessary to attend board meetings to the same extent as publicly elected trustees and to receive compensation of \$150/month.

In accordance with state law, the Board shall, by May 15 of each year, review and act on this policy adopting the rules affecting the permissive rights of the non-voting Student Member of the governing board. Such action by the Board will require only two readings before action.
