

Glendale Community College District

3000

Administrative Regulation

Community Relations

The following information, regardless of funding source, is to be included for printed brochures, catalogs, class schedules, handbooks, and event programs prepared for the public:

- Board of Trustees names and titles
- Superintendent/President
- College's complete name
- College's logo
- College's address
- College's website
- College's telephone number

If possible, other specific information about the event, students and offerings is to be included, and, where appropriate, marketing of other courses and/or future events.
