Administrative Regulation

**PASS/NO PASS**

Courses may be designated "pass-no pass" by a vote of the faculty of the Division in which the course appears.

Courses may be offered in either or both of the following categories:

- Courses in which all students are evaluated on a "pass-no pass" basis.
- Courses in which a student may select to take the course on a "pass-no pass" basis. The student must complete the Petition for Pass/No Pass and have it on file in the Office of Admissions and Records by Friday of the fourth week of a semester-length class or by Tuesday of the second week for all other classes.

A student electing to be evaluated on the "pass-no pass" basis will receive both course credit and unit credit upon satisfactory completion of the course. In computing a student's grade-point average, grades of "pass-no pass" are omitted.

A pass grade is granted for performance that is equivalent to the letter grade of "C" or better. A student who fails to perform satisfactorily will be assigned a "no pass" grade.

The student is held responsible for all assignments and examinations required in the course. The standards of evaluation are identical for all students in the course.
