

Glendale Community College District

4040

Board Policy

Library Services

The District shall provide Library services that are an integral part of the educational program. The library shall meet academic standards consistent with accreditation guidelines and purposes.

The purpose of the college library is to support actively and effectively the college curricula by serving as a resource for teaching and learning and to provide information competency instruction. The library shall provide all Glendale College students, faculty, staff and the community-at-large access to information through personal interaction and via technology. The library shall provide informational resources promoting a better understanding and appreciation of the intellectual, cultural, practical and aesthetic elements of the world around us.
