Board Policy

OPEN CLASSES

It is the policy of the Glendale Community College district that every class offered, unless otherwise indicated in the official catalog and schedule of classes, shall be fully open to enrollment and participation by any person who meets the academic prerequisites of said class, and who is otherwise eligible for admission to and enrollment in the College. An exception to this policy is when a course of study is fully funded under a contract with an outside funding source for a restricted group of students and it does not guarantee state apportionment funds.
