Board Policy

ACADEMIC RENEWAL WITHOUT COURSE REPETITION

The Superintendent/President, or designee, in consultation with the Academic Senate, shall establish administrative regulations that provide for academic renewal without course repetition. This policy is provided for students in specific circumstances where previously recorded, substandard academic performance is not reflective of the student's present demonstrated ability.

Academic renewal without course repetition applies only to substandard coursework completed at Glendale Community College. For purposes of this policy, a substandard grade is defined as a "D", "F", or "NP" (NC).

This policy will permit previously recorded substandard course work to be disregarded in the computation of a student's grade point average. In doing so, the permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.
