

It is with great anticipation and excitement that we head toward the start of the 2015-16 season. Our coaching staff has worked diligently in putting together a group of young men we feel will represent Glendale College in a positive manner. We are proud to have players on this year’s roster from the several local high schools, including Glendale, Crescenta Valley, Clark and Verdugo Hills. Our roster also includes several players of international descent, with players traveling from as far as Australia and the Ivory Coast.

As with any collegiate athletic program, we rely heavily on the local support of our boosters, to help us provide our student-athletes with the best experience possible. We would graciously like to invite you to be a booster for this year’s Men’s Basketball Team. There are several ways that you can help our program achieve success. We have put together a list of several tax-deductible donations that you may decide to choose. If you would like to discuss any other options in supporting our program, please do not hesitate to contact us.
