EOPS program serves students who have been affected by economic, language, social and educational barriers. The mission of the program is to facilitate the successful and timely completion of student goals and objectives. Through specialized support services and instruction, EOPS encourages enrollment, retention, certificate completion, graduation and university transfer. As part of its mission, EOPS is committed to student success by promoting communication, critical thinking, information competency, application of knowledge, and personal responsibility. The program offers a variety of services that may include, but are not limited to priority registration, orientation, counseling, instruction, book services and financial assistance. For more information on EOPS and program admission application go to EOPS website at www.glendale.edu/eops.

CARE is a supplemental component of EOPS program designed to provide educational support services and activities for students who are single parents. The goal of CARE is to reduce long term welfare dependency and support the needs of the single parent for economic self-sufficiency. CARE students must be eligible for EOPS services first. For more information on CARE and program admission requirements go to CARE web page www.glendale.edu/care.

EOPS and CARE financial assistance may be available to EOPS/CARE students who in addition to meeting all EOPS/CARE program entrance and continued eligibility requirements are also income eligible based students' remaining financial need as determined by the Financial Aid Office. All EOPS/CARE awards are contingent upon EOPS/CARE Program funding availability.
