Board Policy

ACCREDITATION

1. In order to provide assurance of the quality, efficacy, and stability of the college to the public, to colleges and universities, to employers, and to trade or profession-related licensing agencies, Glendale Community College shall meet or exceed the standards established by the regional accrediting commission authorized to operate by the U. S. Department of Education through the Higher Education Opportunity Act.
2. The Superintendent/President shall ensure that the District complies with the accreditation processes and standards of the regional accrediting commission and the processes, and standards for separate accreditation sought and/or required for specialized District programs.
3. The Superintendent/President shall keep the Board informed about the regional accrediting commission's eligibility requirements, accreditation standards and procedures, policies, and the college's accredited status. The Superintendent/President shall also assist the Board in evaluating the governing board roles and functions in the accreditation process.
4. The Superintendent/President shall provide the Board with a summary of any accreditation report and any actions taken or to be taken in response to recommendations in an accreditation report.
5. Faculty roles in the accreditation process are defined in the Mutual Gains Agreement (Administrative Regulation 4000).
