<b>HIST 111</b>	Spring 2017	6/17/2013	2 - Developing
LAST PLAN	There were a few issues that my students' struggled with: A) Basic writing and grammar skills. I should try to do more work with them on writing, how to create essays and maybe do some workshops. B) Some students very clearly did not read the monograph. I should do online quizzes to start them reading the monograph earlier in the semester. If I started to put quizzes up in April and forced them to read the book over a series of weeks, they might be better prepared for
