**Student Learning Outcomes English 182**  
**Basic Communication: Vocabulary**

**Student Learning Outcome**

Define words in three ways: through recall and application of learned prefixes, suffixes, and roots; through the use of the dictionary; and by recognition of context clues.

**Assessment Method**

Passkey Quizzes: Students study online lessons on prefixes, suffixes, roots, and dictionary use and take pre-tests, study tutorials, and then take post tests in those areas.

**Student Learning Outcome**

Define at least 75 vocabulary words.

**Assessment Method**

Passkey Quizzes: Students study vocabulary words, view them in the context of sentences, and then take quizzes in which they choose the correct words to fit into sentences.
