Text:

First Aid/CPR/AED Participant's Manual
American Red Cross

Required Materials:

Face Shield for CPR and Rescue Breathing
\$27 Fee for Red Cross Certification Cards

Student Learning Outcome:

- 1 To involve each student in a course study that places the responsibility for learning on the student.
- 2 To demonstrate the American Red Cross approved techniques of CPR, Rescue Breathing, and Choking.
- 3 To encourage each student to think, evaluate, work in groups, and expand portions of their individual concepts that relate to their attitude regarding the discipline of First Aid.
- 4 To received a score of 80% or above in each of the exams in order to be certified for First Aid and CPR

Grading Policy:

- 1 Participation: 10 point each class session
- 2 Exams: Practical (33%)
Based on percentage of American Red Cross Test

Class Conduct Policy:

- 1 Disruptive behavior is not tolerated. If such behavior does occur, then, following due process, the student will be dismissed from the class.
- 2 Character and honesty are to be expected. Cheating, plagiarizing, or falsifying and student work is not tolerated. Following due process, the offending student or students will be dismissed. Incidents of academic dishonesty will be reported to the Office of the Vice President of Instruction and become attached to the student's file at Glendale College.
- 3 Cellular telephones are to be turned off before entering the classroom.
- 4 Two (2) absent class session will constitute and instructor dismissal.

Academic Dishonesty Policy:

College study is the process of becoming an independent scholar. All students are expected to do their own work. All forms of cheating and plagiarism are absolutely unacceptable. This is the official policy of Glendale Community College and the instructors of this course. Students found cheating will have their assignments marked 0

for failure and may receive a failing grade in the course. Incidents of academic dishonesty will be reported to the Vice President of Instruction.

Students with Disabilities:

All students with disabilities requiring accommodations are responsible for making arrangements in a timely manner through the Center for Students with Disabilities.
