COURSE DESCRIPTION:

ATHPE 144 provides instruction and practice in fundamental and advanced techniques of competitive volleyball. Both individual and team instruction will be used to further knowledge of volleyball as a sport. Emphasis is on fundamental skills, rules/terminologies, officiating, team offense/defense drills, and game situational strategies. Students will learn to execute passing, setting, serving, and hitting. Sportsmanship and teamwork is vital to this course.

STUDENT LEARNING OUTCOMES:

Upon successful completion of the required course work, the student will be able to:

1. develop an understanding of positional team play and team dynamics.
2. develop and apply advanced volleyball skills through individual and team practice.
3. develop a high level of physical conditioning inherent in competitive volleyball
4. integrate cooperative skills needed to perform at a high level of play.
5. demonstrate and apply safety rules and procedures to effectively participate in a physical movement environment.

EQUIPEMENT:

Volleyball requires a great deal of set-up and break down. Set-up and break down will be done by coaches and students. Counting the volleyballs prior to class and after is mandatory. All students' are expected to stay until equipment is put away. Points will be subtracted for students leaving before this is done.

It is important to wear proper clothing to class: shorts, t-shirts, sweats, court shoes, knee pads and socks. Students who do not dress properly will not be allowed to take part in class and will lose 5 points for the day. Water is strongly advised.

KEYS TO SUCCESS:

To maintain a positive learning environment for all students the following are expected:

- **Attendance and participation** is required to be successful in this class.
- Courteously and respectfully listen to others'.
- Personal conversation not related to instruction is **not permitted**.
- Cell phones must be turned off or put on vibrate and musical devices are not allowed. **Failure to comply will result in dismissal and loss of points for that day.**
- Inappropriate and disruptive behavior is not acceptable and may be cause for dismissal from class.
- Please **be prepared** for class by wearing the appropriate clothing.
- All students with disabilities requiring accommodations are responsible for making arrangements in a timely manner through the Center for Students with Disabilities.

ATTENDANCE/PARTICIPATION:

Your final grade will be determined by your participation, effort, and attendance. Each student comes to this course with different levels of experience, which makes it fair to base the majority of the grade on attendance/participation. If you are unable to make class, please notify instructor by email. Emergencies do happen, so each student will be allowed one absence during the semester.

CHEATING:

All students are expected to do their own work. All forms of cheating and plagiarism are absolutely forbidden. This is the official policy of Glendale Community College. The following behaviors serve as an operational description of student violations of academic honesty:

1. The student takes or copies answers from another student or source or uses unauthorized materials during a test.
2. The student turns in an assignment (labs, art projects, homework, prewritten or purchased papers, or work downloaded from the Internet) which is not his/her own.
3. The student uses words or ideas which are not his/her own without acknowledgment of the source (plagiarism).
4. The student knowingly deceives an instructor with the intent to improve his/her standing in class.
5. The student submits the same paper or project previously submitted in another class without the permission of the current instructor.
6. The student depends upon tools or assistance prohibited by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments.
7. The student acquires, without permission, tests or other academic materials belonging to a member of the GCC faculty or staff.

When a student engages in academic dishonesty, faculty have the option of requiring the student to see a college counselor, assigning a lower or failing (F) final grade in the course (or denying promotion from a non-credit course).

Honesty is expected. Any effort to copy another students work during exams or to present another's work as your own will be **PUNISHED WITH A "0" GRADE FOR THE ASSIGNMENT/TEST.** The student will be placed on file with the GCC Vice President of Instruction. Buying or downloading assignments are forms of cheating.

GRADING: Your final grade will be partially based on a final exam. The test will consist of the information given to you in handouts throughout the semester. The exam will be used to help raise a grade and to see your overall understanding of volleyball. The majority of grading will be based on attendance/participation.
