

## MATH COLLABORATIVE

# Awards for High School Seniors

*(\$200 Book Voucher)*

### Students Eligible to Apply Must:

- Be a current Glendale, Burbank or LA Unified School District senior.
- Be currently enrolled in a math class participating in Glendale College assessments, sponsored by the Math Collaborative.

### Award winners will be chosen based on teacher recommendations. Teachers will consider students who:

- Earn a grade of "C" or better in both semesters of their senior math class.
- Demonstrate consistency in work habits, including at least a 70% completion rate on homework.
- Attend class regularly and arrive on time.
- Write a one page reflection on their experiences in senior year math.

### To Receive the Award Students Must:

- Be enrolled in a math class at Glendale Community College for the Fall 2017 semester.
- Be attending the math class through at least September 9, 2017.

If ALL of the above requirements are met, students will receive a Glendale College bookstore voucher in the amount of \$200 available for use in September 2017.

*\*Applications will be available April 1, 2017.*
