

# **FREE CALCULUS READINESS BOOT CAMP**

## **AUGUST 24-25**

**ARE YOU TAKING MATH 112 OR MATH 103 IN FALL 2017?  
HAS IT BEEN A WHILE SINCE YOU LAST TOOK A MATH CLASS?  
ARE YOU RUSTY ON YOUR ALGEBRA OR TRIG SKILLS?**

Algebra and trigonometry review sessions will be held by Math faculty at GCC the week before the start of the fall semester. The goal of these sessions is to prepare you for either Math 103 or Math 112.

Only 53.6% of Math 112 students pass, which is due partly to students Algebra skills being rusty. This boot camp can help you be one of the successful 53.6%.

**Bring a Scientific Calculator.**

Pick and choose what sessions you want to attend. The more you attend, the better off you'll be. Notice that some of the sessions are a review of trigonometry (not needed for Math 112!).

Schedule of sessions and room assignments can be found on the website at [www.glendale.edu/calculusbootcamp](http://www.glendale.edu/calculusbootcamp)

**THURSDAY, AUGUST 24 · SG 325**  
**FRIDAY, AUGUST 25 · SG 325**

**QUESTIONS?**  
**CONTACT SUZANNE LAVERTU AT EXT. 5695**
