MATH 130

Elementary & Intermediate Algebra for Statistics

Math 146 + Math 131
in *JUST ONE* semester!
8 UNITS TOTAL

This course is for students who:

- Are eligible for ***Math 146/246A***
- Want to complete the equivalent to both ***Math 146*** and ***Math 131*** in one semester
- Want to qualify for ***Math 133, Math 135, Math 136 or Math 138*** after completing this course
- Are transferring in areas such as *Arts, Humanities, and some Social Sciences*
- Are **NOT** transferring in areas such as *Science, Technology, Engineering, Mathematics, and Business*

Math 130 has fewer traditional Algebra topics and provides an early exposure to topics seen in *Statistics, Finite Math, and Liberal Arts Math*. Math 130 satisfies the *Associate Degree* general education mathematics competency requirement.
