Transportation

Fortunately, some people seem to have a knack for making vehicles run smoothly. If you're one of those people, you should steer your way down the Transportation Industry career path.

You'll find three branches on this pathway: Aviation and Aerospace Transportation Services, Collision Repair and Refinishing, and Vehicle Maintenance, Service and Repair. Pick any of these branches and you'll learn transportation vehicles inside and out.

Your classroom work, lab work and hands-on experience can give you expertise with a wide variety of vehicles, from scooters to 767s.
