

ASSESSMENT TESTING SCHEDULE FOR SEPTEMBER 2017

English and Math are computerized. No appointment is needed for English, Math and Chemistry. Students may come to the Assessment Center on a “walk-in” basis, whenever the schedule shows English, Math and Chemistry. Example: **English, Math & Chem** from **8:30am to 6pm** means that students may take the tests during these hours. Students who want to take BOTH English and Math on the same day, should arrive at the Center at least one hour before the deadline time, in order to allow adequate time to take both tests.

ESL, NC/ESL, ATB, Challenge tests, and Make-Up exams are by appointment only.
