Academic Counseling /Career Center

The Hospitality, Tourism, and Recreation industry sector includes California's fastest-growing industries: travel, recreation, and food and hospitality.

The Hospitality, Tourism and Recreation pathway leads to three different journeys.

For people interested in the healthy side of eating, there's Food Science, Dietetics and Nutrition; for those who'd rather focus on the fun side of food, there's Food Service and Hospitality; and for people who want to help folks enjoy their holiday, there's Hospitality, Tourism and Recreation.

Technical Level Careers

(with AA or AS degree or certificate)

- Food Inspector
- Dietetic Technician
- Food Production Chemist
- Food Service Manager
- Tour Guide/Manager
- Hotel Concierge
- Convention Planner
- Chef/Cook/Baker
Caterer
- Concert Promoter
- Event/Wedding Planner

Studies on this pathway will focus on technical knowledge, combined with hands-on and work-based instruction designed to let you jump right into the work force...or continue your education if that's what you want.

Either way, this pathway can lead you to a career where every day seems like a vacation.

Professional Level Careers

(with BS or BA degree)

- Registered Dietician
- Food Technologist
- Food Product Developer
- Sous/Executive Chef
- Food and Beverage Analyst
- Food Service Director
- Museum Director/Curator
- Club/Resort/Hotel Manager
- Theme Park Director
- Travel Company Manager
