ART 115: HISTORY OF NON-WESTERN ART

Travel the world outside of Europe and learn how to recognize symbols of power in the visual cultures of Africa, Asia, and the Americas. How does form and medium convey non-verbal communication? How were these secular and divine symbols embraced as they crossed national borders? What role did Buddhism and Islam play in transnational communications?

Fulfill your GE cultural diversity requirements by exploring the arts of the world outside of the Euro-US traditions. Come join us and learn about the traditional arts of these regions that still express meaning in today's world!

When: Fall 2017 TTH 1:40-3:05 pm

Where: AA 114

Why: Because *you* will be empowered with knowledge!
