SEBOO AGHAJANI
Letter of Intent
CSEA Chapter 76
1st Vice President

It is my privilege to accept the nomination for the office of first Vice President. I was elected as a board member 8 years ago as the Public Relations Officer and after serving for 2 terms, with your votes and support I had the opportunity to serve as your 2nd Vice President. During these 8 years, I attended 3 CSEA annual conferences, as well as other workshops and trainings offered by CSEA. Under the great leadership, I also had the honor to serve and learn from each and every one of you. Serving and being actively involved on the CSEA's Executive Board and different committees has motivated and inspired me to learn more about our union in order to be able to represent CSEA the best way possible. We all know that we have been through tough times when our unity had been vital in order to survive; but then we proved to ourselves that being united with strong support of our president, we can overcome any roadblocks and achieve victory. With your continuous support, I am sure that we can reach our future goals and fight for our rights. I hope that more of our members will volunteer and serve on governance committees because that is where we can be more visible and show our power. I feel very excited about this nomination and I feel this nomination will afford me the opportunity to pay back to the CSEA community. My experiences has given me a comprehensive understanding of our union and I hope with your votes I will be able to continue to serve you to create a more positive working environment and a more fulfilling work experience.

Thank You,

Seboo Aghajani

Dear Colleagues

I am humbled to be nominated for the 1st VP position.

While this is my first time running for a position on the CSEA Board, I do have significant leadership experience serving as Classified Council President, and Classified Council Vice President.

I have been an employee of Glendale Community College for nearly seventeen years, serving both the Library and the Social Sciences Division. During this period, there were certain years when things were not that rosy. What I learned from this is the importance for Classified staff to have a strong and unified Union representing them in both good and bad times.

It is beneficial for the CSEA Board to reflect the broad range of constituent areas represented within CSEA and my candidacy will help in this regard. I believe that I am fair minded, honest and impartial. I am direct in manner and I make no excuses for that. However, my willingness to speak my mind and advocate for our members is of benefit and should be valued.

I pledge to represent all classified staff in a manner befitting the office of 1st Vice President of CSEA. I will represent all classified constituents, and do my utmost to protect, and whenever possible improve, all wages, benefits, hours and working conditions and to ensure that every member is treated consistently with respect and dignity.

I would be honored if you would consider voting for me in the upcoming election. And I thank you for your confidence in nominating me.

Sincerely,

Catherine "Kit" Crawford

I have over 17 years of experience working with CSEA, 14 years of experience as a volunteer and over 3 years of experience as an officer. I have been the Public Relations Officer for our chapter since 2014, having been re-elected to serve my 2nd term in 2016. Some of my responsibilities as the Public Relations Officer have been to coordinate the Classified Retreats, Classified BBQs, End-Of-Year Parties, and provide food and refreshments for chapter meetings.

In addition to my involvement with CSEA, I would like to state that I serve on numerous governance committees as a representative for our classified staff. These committees include the Staff Development Committee, Committee on Multicultural & Community Engagement, and the Student Affairs Committee.

Throughout my involvement with CSEA, I have consistently attended executive meetings, chapter meetings, classified events and the 89th CSEA Annual Conference. My participation helped me gain valuable experience and provided me a clear insight on how our union functions.

I have enjoyed being involved on a variety of levels and hope that I can continue my service to Chapter 76 as 2nd Vice President.

I would like to assure you that I am deeply committed to the work that CSEA does to provide essential services to classified staff and will perform the duties of 2nd Vice President to the best of my abilities.
