## **Interim Manager of Maintenance and Operations Announced**

I am pleased to announce that Patrick Shahnazarian has been selected to serve Glendale Community College as the Interim Manager of Maintenance and Operations. Patrick has been the college's chief electrician and served as a skilled crafts maintenance worker II. He came to GCC in 2004. He has served as a project manager and electrical contractor coaching, mentoring, and supervising project teams and contractors. He has served the community since 2007 as a California State Licensed General Building Contractor and General Electrical Contractor.

Patrick holds a Bachelor of Science in Applied Physics degree from Azad University, Tehran, Iran and a Master of Science in Physics from California State University, Northridge. He has been an adjunct faculty member of the GCC Department of Electronics and Computer Technology since 2009.

The Maintenance and Operations Manager is responsible for planning, organizing, managing and scheduling the maintenance, custodial, and grounds keeping functions and projects of the District and acts as the recycling coordinator and energy manager.

Subject to Board of Trustees approval, Patrick will assume his duties March 1, 2018.

David Viar
