

HIRE LA's YOUTH

HIRE LA's Youth is a partnerships between Office of Mayor Garcetti, Los Angeles Area Chamber of Commerce, the Community College District and Economic & Workforce Development, City of LA. The program focus in placing work-ready young adults into paid internships. To qualify for these paid internships with participating companies you must attend an interview session at any of the locations listed on this flyer. The program will train students in the soft skills they need to be competitive for these paid internships which will help you advance your career. Please see details below and register today!

CURRENT PAID INTERNSHIPS IN ENTERTAINMENT

We have secured 150 paid summer internships for college students through the EVOLVE Entertainment Fund. These job opportunities will set you on a career pathway into film, television and music industries with major entertainment companies to help you advance your career while in college.

Employers participating include: *72 and Sunny, Amazon Studios, Anonymous Content, CAA, DreamWorks Animation, Film Independent, Funny or Die, IMAX Entertainment, Innovative Artists, Interscope Geffen A&M, Lionsgate, Live Nation Entertainment, Outfest, PRETTYBIRD, Revy, Shondaland, Six Point Harness Studios, Spotify, Sundance Institute, United Talent Agency, Univision Los Angeles, Variety, VICE Media, VME, Wise Entertainment, and more!*

Open paid internships available to youth include:

- **Production assistant**, creating the next generation of film and entertainment content
- **Social media intern**, producing digital content for large audiences on social media platforms
- **Promotion associate**, showcasing the best of your company's content to its millions of users
- **Live event assistant**, helping the management team coordinate celebrity-filled live content
- **Artist marketing team member**, maintaining positive relationships between music streaming platforms and the creator community

To qualify for these paid internships, you must first attend an interview session. During the interview, you will receive tips on key soft skills you need to be competitive for these internships.
