WHY?	<ul style="list-style-type: none"> • This is a great opportunity for students to get to transfer level math quicker, based on their placement level. • Students will be able to get to transfer level courses at least one semester faster than they would normally • The pairing of Math 101/301 and the pairing of Math 131/331 allows students to have more time to practice and understand the concepts being presented. 	

To take advantage of this special opportunity to get ahead, each pair of classes needs to be taken at the same time. For more information contact the Bahareh Beheshti at bbehesht@glendale.edu.
