

## Glendale Community College and University of Southern California Transfer Advisement Sheet for the Bachelor of Science Degree in Business Administration Effective Fall 2010 - Summer 2011

The following pre-major courses are required for admission consideration:

**Admission Requirements 1 USC Course Glendale Community College** Writing Requirement WRIT-130 or 140 ENGL 102 or 102H or 104

Fund. Principles of Calculus\* **MATH-118 MATH 112** 

## **Additional Suggested Preparation**

Successful completion of two accounting courses (ACCTG 101 and 102) allows registration in BUAD 305. ACCTG 101 and 102 will transfer as elective credit. If you do not complete the two semesters of accounting prior to entering USC, you would enroll in BUAD 280 and BUAD 281 and take six units of accounting at USC. Admission into the Leventhal School of Accounting is granted through the Marshall School of Business. Prospective accounting majors must receive grades of "B" or better in both ACCTG 101 and 102.

Additional consideration will be given to applicants who have completed courses which satisfy general education categories I, II, III, and V. Applications for admission to USC's Marshall School of Business can be submitted after completing at least 30 transferable units as well as the courses listed above. Please refer to the articulation agreement for a detailed list of general education requirements. Please use this document in conjunction with the most recent version of the Transferring to USC brochure and this advisement sheet. Articulation agreements are available at http://www.usc.edu/dept/ARR/articulation

## **Admissions Information:**

Admission is competitive, and the application review is holistic. We consider the application prompts; academic/enrollment history and pre-major course performance. A maximum of 64, transferable, college units may be used to fulfill USC undergraduate degree requirements. Applicants completing a minimum of 30 transferable units by the end of the spring term are not required to submit standardized testing scores. Other questions regarding business and accounting admissions criteria or process may be directed to the Marshall School of Business, Office of Undergraduate Admissions, Bridge Hall 105, (213) 740-8885. Please plan to visit the campus for one of our transfer student programs: http://www.usc.edu/admission/undergraduate/visit/transfer.html.

NOTE: This advisement sheet is derived from the Articulation Agreement between USC and your college. This advisement sheet is not a formal document due to regular updates and changes. Please refer to the articulation agreements on the USC Website for new updates at http://www.usc.edu/dept/ARR/articulation prior to enrollment. For questions regarding course equivalency, please contact the Registrars Office at USC.

<sup>\*</sup> Completion of Glendale Community College Math 103 or Math 103H (USC MATH-125 Calculus I) will waive the USC MATH-118 requirement.

<sup>\*\*</sup>As of fall 2010, microeconomics and macroeconomics are no longer required for admission to the Marshall School of Business. Revisions to the undergraduate curriculum require an intermediate economics sequence to be completed at USC, in residence.
