INTERACTIVE CDS

Chinese Before You Know It

Build reading, listening and speaking skills. Create your own flash cards and share online via the website: www.byki.com or download to your MP3 player. Over 1000

Learn Chinese Now

A comprehensive program from basic skills to mastery of Chinese. Includes fundamental Chinese, survival phrases, word games, grammar tools, vocabulary-building exercises, and interactive conversations.

Power Chinese:

Compares Chinese and English to allow you to focus on areas that are most different from English. Includes 600 most common simplified Chinese characters, everyday words, phrases and sentences, spoken by native speakers, interactive drills, funny dialogs and video clips with real people.

An **Exercise Book** is available to begin learning the Chinese alphabet characters.
