## **GCC's Trusted Homestay Partner: International Student Placements**

Glendale Community College is pleased to partner with [International Student Placements](https://www.isphomestays.com/students/college/) to provide homestay services for our students. ISP has specialized in American family placements for over 20 years. ISP provides various services related to host family screening and affordable housing options (with meal plan) in the Glendale community, along with airport pick-up services (upon request).

All potential students, their families, and our overseas educational partners are encouraged to contact ISP *well before your arrival to the US*:
