Board Policy

Section 504 Regulations of the Rehabilitation Act of 1973 Compliance Policy

The Superintendent/President or designee shall ensure that no qualified student, who may be reasonably accommodated on the basis of a disability, be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination regarding, any academic, research, occupational training, housing, health insurance, counseling, financial aid, athletics, recreations, other extra-curricular or education program or activity provided by the District. A grievance procedure has been developed to respond to students with verified disabilities and address conflicts regarding accommodation requests.
