RESOLUTION NO. 13-2019-2020

TO: Board of Trustees

SUBMITTED BY: David Viar, Superintendent/President

SUBJECT: SUPPORT OF UNDOCUMENTED STUDENT ACTION WEEK
MONDAY, OCTOBER 14 TO SATURDAY, OCTOBER 20, 2019

DESCRIPTION OF HISTORY / BACKGROUND

The Community College League of California (League) is a nonprofit public benefit corporation with a voluntary membership of the 72 local community college districts in California. The League promotes student access and success by strengthening colleges through leadership development, advocacy, policy development, and district services.

The League has joined a coalition of educators, students, businesses, community members, and social justice organizations in recognition of October 14-20, 2019, as *Undocumented Student Action Week* to support and build awareness of undocumented students. The week of action is part of an effort to seek solutions to codify the Deferred Action for Childhood Arrivals (DACA) program that includes a pathway to citizenship, as well as to provide support and resources to California's undocumented student population.

Undocumented Student Action Week offers the 114 community colleges and their 2.1 million students the opportunity to enhance their knowledge and understanding of the issues confronting undocumented students pursuing further education for themselves and their families," says Larry Galizio, President and CEO of the Community College League of California.

During the week, colleges, faculty, students and partner organizations are encouraged to contact their Congressional representatives, sign postcards in support of DACA, register students to vote, and host events to assist undocumented students. To access and download materials created to support students, colleges, and organizations participating in the *week of action*, go to www.ccleague.org/DACA.

GLENDALE COMMUNITY COLLEGE DISTRICT

RESOLUTION NO. 13-2019-2020

Support of Undocumented Student Action Week October 14-20, 2019

WHEREAS, the Glendale Community College District supports and values the contributions of undocumented students to our community, state, and nation; and

WHEREAS, the Board of Trustees approved Resolution 24-2016-2017 in March 2017 in support of undocumented students and the privacy rights of its students and Resolution 12-2017-2018 in October 2017 in support of codifying DACA into federal law; and

WHEREAS, the College has developed the Dream Center to provide support for undocumented students attending Glendale Community College; and

WHEREAS, the College remains committed to improving the educational outcomes of all students, regardless of immigration status; and

WHEREAS, the academic success of undocumented students is integral to the economic future of the state of California; and

WHEREAS, the protections contained within the Deferred Action for Childhood Arrivals program have proven to increase both educational attainment and wage outcomes for its participants; and

WHEREAS, the proposed cancellation of the federal program puts the educational future of thousands of students at risk; and

WHEREAS, this policy decision inhibits the aspirations of 222,795 Californians, 72,000 of whom are estimated to be community college students; and

WHEREAS, an analysis by the CATO Institute found that the United States' economy could be reduced by \$215 billion and the federal government would lose \$60 billion in tax revenues with the elimination of DACA; and

WHEREAS, Glendale Community College's mission is to provide access to a quality public higher education to all Californians; and

WHEREAS, inaction puts the educational goals of hundreds of thousands of Californians on hold and America's economy at risk; and

WHEREAS, statements by federal officials and actions taken by U.S. Immigrations and Customs Enforcement have made undocumented students afraid that colleges will disclose personal information or that federal immigration officials will come on college campuses; and

WHEREAS, this fear has resulted in increased challenges towards academic success for undocumented; and

WHEREAS, Glendale Community College is committed to protecting our undocumented students by protecting their rights, personal information and safety; and

WHEREAS, the College leaders remain steadfast in commitment to these objectives and will stand with Dreamers to protect quality public community colleges for all Californians, and support and advocate for equitable access to education for undocumented students.

NOW THEREFORE BE IT RESOLVED, that the Glendale Community College Board of Trustees requests that California congressional members vote to codify protections contained within the Deferred Action for Childhood Arrivals program that will permit thousands of Californians to reach their highest potential.

BE IT FURTHER RESOLVED, that the College recognizes October 14-20, 2019 as Undocumented Student Action Week in which reasoned discussion, thoughtful debate and nonviolent action occurs; and

BE IT FURTHER RESOLVED, that Glendale Community College continues its support of undocumented students through its inclusive college community, promotion of in-state tuition and state financial aid, student support services, legal aid referral, and other means California's community college districts and colleges can provide to our undocumented students.

TO: Board of Trustees

SUBMITTED BY: David Viar, Superintendent/President

REVIEWED BY: Michael Ritterbrown, Vice President, Instructional Services

PREPARED BY: Edward Karpp, Dean, Research, Planning, and Grants

SUBJECT: ENROLLMENT UPDATE

DESCRIPTION OF HISTORY / BACKGROUND

California community colleges' apportionment revenues from the state are based on the enrollments of resident students. Enrollments are converted into Full-Time Equivalent Students (FTES) numbers for apportionment reporting. The attached report includes updated enrollment numbers and projections.

One FTES, whether credit or noncredit, is defined by state regulations as 525 hours of student contact. Most credit courses use a weekly accounting method: They meet the same number of hours every week, and apportionment is based on a calculation of hours per week times number of weeks divided by 525. Credit courses shorter than a full semester (such as 8-week courses, or Summer and Winter courses) use an analogous daily accounting method. Both weekly and daily courses use a census date to determine enrollments and FTES.

All noncredit courses and a small number of credit courses use positive attendance accounting, which is not based on enrollment and class sessions per week but rather on the actual hours that students attend class. Each student's attendance is tracked for every class session. The total number of attendance hours is divided by 525 to calculate FTES based on positive attendance. FTES based on positive attendance is more difficult to project than FTES based on weekly or daily accounting because students' actual attendance must be tracked every day, rather than using a defined census date.

SUBJECT: APPROVAL OF PURCHASE OF PIANOS FROM
STEINWAY AND SONS - THE MUSIC PROGRAM

DESCRIPTION OF HISTORY/BACKGROUND

The Music Program is replacing old pianos with newer ones and has received funding to do so. The purchase includes eight pianos of different models chosen to best serve the needs of the Music Program. The cost of the purchase is \$216,611.40 and includes additional accessories including covers and a dolly. The price also includes a five year Steinway Warranty, a ten year Boston Warranty, Matching Artist Bench and First Tuning and Service On-Site.

California Public Contract Code section 20651 requires a district to advertise publicly for bids for the purchase of goods involving an expenditure of \$87,800 or more. As a limited exception, where no practical value exists to the district in publicly advertising for bids, the governing board of the district may make a finding that it is in the district's best interests to acquire equipment without formal, public advertising and receiving of bids. Exceptions include piggyback and multiple award contracts that have been previously bid and/or awarded after a formal request for proposal process. Steinway and Sons has been awarded Los Angeles City College District Master Agreement Number 40374 which contains a piggyback clause. This contract allows other community colleges to enter into contracts under the same terms and conditions. Since this contract was previously bid, the District can award the contract without a formal bid.

COMMITTEE HISTORY

College Executive Committee October 8, 2019

FISCAL IMPACT

The cost of the purchase and installation will be \$216,611.40. Monies are available through the Grants from the Glendale College Foundation (\$44,800), Perkins (\$27,000) and Strong Workforce (\$145,000).

RECOMMENDATION

The Superintendent/President recommends that the Board of Trustees approve the purchase of pianos from Steinway and Sons under the LACCD Master Services Agreement Number 40374 in the amount of \$216,611.40.

COLLEGE LEADERS REPORTS

TO: Board of Trustees

SUBMITTED BY: David Viar, Superintendent/President

PREPARED BY: Office of the Superintendent/President

ACADEMIC SENATE REPRESENTATIVE TO THE BOARD

Ms. Piper Rooney

- The Senate thanks Board of Trustees President, Dr. Perroomian, and Trustees Dr. Hacopian and Ms. Ransford for attending this year's Parker Luncheon in honor of Math Professor and Past-Senate President, Andrew Young.
- The Senate thanks Dr. Culpepper and Dr. Tangalakis who visited Senate for its September 19th meeting to answer questions and clarify circumstances relating to the \$10 million in unpaid student fees. In response to the information that the Senate gleaned during that visit, they passed three resolutions on October 3rd to address issues that arose.

The Senate's greatest concern was to urge the District not to involve a debt collection agency in any attempt to retrieve fees from our past or present students.

- We ask that the District begin sending notices to students owing fees as soon as possible to inform them of their debt. We know that no such notices are sent systematically at present, and we are very worried that the District may engage the services of a collection agency before learning whether a majority of students would repay their debts once informed of them, and offered a payment plan if needed. GCC Contact information for repayment should be included in any communication.
- A student, Nathan Venier, attending Senate for the October 3rd meeting recommended that a series of emails as well as a single text be sent to indebted students, along with a hard copy of a letter mailed to a student's last known address. He acknowledged "email fatigue" on the students' part, and suggested that these emails be brief and bold to catch attention, while also recommending that the District resist overuse of texts as students would simply develop similar "text fatigue" and consequent disregard.
- The Senate requested that the Office of Research and Planning conduct a two-year pilot of debt recovery from students in order to learn what percentage of students and what demographics of students do not repay their fees. Data from such a pilot can guide us to effective solutions for preventing the accumulation of another such debt while also supporting students' efforts to repay existing debts. This pilot should be conducted without the District's employing a debt collection agency against students.

ACADEMIC SENATE REPRESENTATIVE TO THE BOARD - continued

Ms. Piper Rooney

- Finally, the Senate requested that a task force (with representatives from Financial Aid, Admissions and Records, the Student Tuition and Fees Committee, the Office of Fiscal Services, and the Senate) be formed to create a policy on student debt repayment and to create repayment plans. Senate would like to see this draft by the end of the Fall semester 2019.
- To support GCC's participation in the state's Online Education Initiative-California Virtual College (OEI-CVC), the Senate approved the creation of a local Peer Online Course Review (POCR) team. This local team will provide an opportunity for instructors to review and revise their DE courses to align them with the OEI Rubric (reflecting best practices in online teaching) in order to then submit their revised courses to the OEI-CVC Design Academy for inclusion in the state-wide exchange. GCC receives apportionment for students enrolled in their classes through the statewide exchange.
- The Senate approved Institution Set Standards Stretch Goals requested by the ACCJC and recommended by a Senate task force for several performance measurements.

GUILD REPRESENTATIVE TO THE BOARD

Mr. Roger Bowerman

- This Date in Labor History - October 15, 1914
Woodrow Wilson signs the Clayton Antitrust Act, often referred to as the "Labor Magna Carta." This established that unions are not "conspiracies" under the law. In other words, Unions, for the first time, were free to strike, picket and boycott employers. This did not end the struggle for labor unions. In the years that followed numerous state measure and negative court interpretations weakened this law.

VICE PRESIDENTS

Dr. Anthony Culpepper, Executive Vice President, Administrative Services

- Governor's Pending Bills Affecting Community Colleges
Governor Newsom, who had until Sunday, October 13, 2019, to approve or veto legislation, included:

AB 2 (Santiago, D-Los Angeles) would prohibit a student who has previously earned a degree or certificate from a postsecondary educational institution from being eligible to benefit from the California Community College (CCC) Promise Program and would also expand the program to specified disabled students taking fewer than twelve units (signed)

AB 5 (Lorena Gonzalez, D-San Diego). AB 5 is the measure that codifies last year's California Supreme Court decision in the Dynamex Operations West Inc. v. Superior Court into law. The decision requires employers to prove that their workers can meet a three-part (ABC) test in order to be lawfully classified as independent contractors. Not only does AB 5 adopt the three-part ABC test from the Dynamex decision, but also specifies six occupations exempt from the "Borello test" established by the 1989 California Supreme Court decision in S.G. Borello & Sons, Inc. v. Department of Industrial Relations, applies specific labor code provisions retroactively, and authorizes the Attorney General and others to prosecute actions to prevent continued misclassifications. (signed)

AB 30 (Holden, D-Pasadena) would streamline the process for developing College and Career Access Pathways partnerships by making various changes to the program. (signed)

AB 500 (Gonzalez, D-San Diego) would require community colleges, school districts, and charter schools to provide at least six weeks of paid maternity leave.

AB 943 (Chiu, D-San Francisco) would authorize the use of funding from the CCC Student Equity and Achievement Program for emergency student financial assistance to help an eligible student overcome unforeseen financial challenges. (signed)

AB 1313 (Rivas, D-Arleta) would prohibit a public or private university from refusing to provide a transcript for a current or former student on the grounds that the student owes a debt (signed)

Governor's Pending Bills Affecting Community Colleges

AB 1645 (Rubio, D-Baldwin Park) would, commencing with the 2020–21 academic year, require the CCC and the California State University, and request the University of California, to designate a Dreamer Resource Liaison on each of its respective campuses to assist students meeting specified requirements.

SB 568 (Anthony J. Portantino D–La Cañada Flintridge) would help Glendale Community College offset revenue losses associated with closing on April 24th. April 24th is the day the worldwide Armenian Community commemorates the Armenian Genocide. (signed)

SB 484 (Anthony J. Portantino D–La Cañada Flintridge) 66722.2.

- (a) The governing board of each community college district shall direct the appropriate officials at their respective campuses to do all of the following:
- (1) Identify those students who have completed an associate degree for transfer.
 - (2) Notify those students of their completion of the associate degree for transfer requirements.
 - (3) Automatically award the student with the associate degree for transfer.
 - (4) Add the student to the identification system described in subdivision(d) at the end of each academic year.
- (b) The steps required in paragraphs (1) to (3), inclusive, of subdivision (a) shall be completed at the end of each academic term.
- (c) A student may affirmatively exercise an option to not receive an associate degree for transfer or to not be included in the identification system described in subdivision (d). Paragraphs (3) and (4) of subdivision (a) do not apply to a student who affirmatively opts out from receiving an associate degree for transfer. Paragraph (4) of subdivision (a) does not apply if a student affirmatively opts out of being included in the identification system.
- (d) The Office of the Chancellor of the California Community Colleges shall maintain an identification system that can be accessed electronically by the California State University, the University of California, and independent institutions of higher education, as defined in subdivision (b) of Section 66010.
- (e) This section shall be implemented in full commencing with the fall term of the 2020–21 academic year.
