The Glendale Community College District may award International Baccalaureate Examination (IB) credit towards an Associate Degree Graduation Requirement and/or for CSU Breadth/IGETC transfer certification to those who attained an appropriate score on Higher Level (HL) Exams. If you are intending to transfer to a four- year institution, you should consult with a Counselor or the individual transfer institution regarding its (IB) credit policy for major course work. To petition for IB credit, an official transcripts must be on file with Admissions and Records. Additionally, the student must currently be registered in the college and be in good standing. Furthermore, the student must not have attempted, completed, or failed the comparable course(s) previously (per GCC Administrative Regulation 4235).

A score of 5, 6, or 7 on Higher Level exams is required to grant credit for IGETC and CSU GE Breadth certification. The exception for CSU GE Breadth certification: a score of 4 on the following IB subjects is considered a passing score, Language A1 (any language) HL, Language A2 (any language) HL, Language B (any language) HL, Mathematics HL, and Theatre HL. An acceptable IB score for IGETC or CSU GE Breadth equates to either 3 semester or 4 quarter units for certification purposes (see chart on reverse side or consult the GCC Catalog). If you have earned credit from an IB exam, you should not enroll in a comparable college course(s) because credit will not be granted for both. CSU may grant additional units for eligibility for admission. For more information, please reference the following CSU Memo: ASA-2019-03.

List each IB Exam title and the score you earned below. Counselor will indicate appropriate GE Area(s).

IB EXAM TITLE	EXAMINATION SCORE	GE AREA(S)
