

FREE CALCULUS READINESS BOOT CAMP

FEBRUARY 21, 2020

**ARE YOU TAKING MATH 112 OR MATH 103E IN SPRING 2020?
HAS IT BEEN A WHILE SINCE YOU LAST TOOK A MATH CLASS?
ARE YOU RUSTY ON YOUR ALGEBRA OR TRIG SKILLS?**

Algebra and trigonometry review sessions will be held by Math faculty at GCC the first Friday of the spring semester. The goal of these sessions is to prepare you for either Math 103E or Math 112.

Only 53.6% of Math 112 students pass, which is due partly to students Algebra skills being rusty. This boot camp can help you be one of the successful 53.6%.

Bring a Scientific Calculator.

Pick and choose what sessions you want to attend. The more you attend, the better off you'll be.

Schedule of sessions and room assignments can be found on the website at www.glendale.edu/calculusbootcamp
