

Associated Students of Glendale Community College
STUDENT REPRESENTATION FEE

OPT-OUT FORM

A Student Representation Fee (SRF) of \$2 will be assessed at the time of registration each semester. The SRF helps ensure that the student voice is represented to governmental representatives at the local and state level.

The \$2 SRF is used by the Associated Students of Glendale Community College (ASGCC) and the Student Senate of the California Community Colleges (SSCCC) to advocate and lobby for legislative issues that affect and benefit community college students both at the local, state, and federal level. The ASGCC will allocate \$1 of the fees collected to the SSCCC. Funds will be used to:

- Provide effective student representation and participation in state-level community college shared governance and with governmental affairs representatives
- To advocate before the Legislature and other state and local governmental entities.
- To provide support for governmental affairs representatives of local or statewide student body organizations who may be stating their positions and viewpoints before city, county, and district governments, and before offices and agencies of state government.”
- Attending legislative activities like the SSCCC General Assembly,
- Visiting the offices of local and state elected officials,
- Training ASGCC representatives to effectively participate in these processes.
