

# THEATRE ARTS 183

# TECHNICAL THEATRE

Fall 2020, Instructor Caitlin Eby  
Fridays 1:55-3:00pm, TBA Lab Hours

Learn about the roles, expertise, and elements that come together behind the scenes to make theatre magic.

Experience a little bit of all the technical elements that go into creating a theatrical production including scenery, lighting, projections, sound, scenic painting, stage management, and more!
