**Based on 2019-2020****ADVANCED PLACEMENT CREDIT**

Glendale Community College recognizes the Advanced Placement Program of the College Entrance Examination Board. It is the student's responsibility to petition for credit through the Office of Admissions and Records. Glendale College grants credit for College Board Advanced Placement scores of 3 (three) satisfy requirements for CSU breadth and IGETC certification; and will be noted accordingly on the appropriate form if certification is requested. Students need to turn in official AP scores from the College Board. Advanced Placement units do not transfer as Glendale Community College courses.

Students need to submit official scores from the College Board and fill out a petition for advance placement. Credit for Advanced Placement will be granted only during the fall and spring semesters to students who have successfully completed or are enrolled in at least 12 units at Glendale Community College.

Although the College Board reports all AP tests results to the universities, students should be aware AP test scores lower than 3 will not adversely affect their chances for admission.
