

Articulation Agreement by Major

Please see page four for the specific architecture classes that articulate with Cal Poly Pomona B.Arch program.

Effective during the 2019-2020 Academic Year

To: California Polytechnic University, Pomona
2019-2020 General Catalog, Semester

From: Glendale Community College
2019-2020 General Catalog, Semester

Architecture, B.Arch.

TRANSFER AND ADMISSION REQUIREMENTS

CSU Eligibility

Transfers must meet the minimum California State University eligibility requirements listed below as the first step in being considered for admission.

Cal Poly Pomona requires **all** transfers to complete the following by spring prior to fall enrollment or by summer for spring enrollment:

- Must be in good academic standing at the last institution attended.
- Must have minimum 2.00 GPA in transferable coursework.
- Must have at least minimum of 60 transferable semester units (90 quarter).
 - 30 of the 60 semester units (45 quarter), must be in General Education.
 - Completion of the "Golden Four."

Supplemental criteria may be required for [impacted majors](#).

Cal Poly Pomona does not accept students who have completed a Bachelor's degree and are interested in a 2nd Bachelor's. We encourage you to consider a Graduate degree.

Golden Four

A1: Oral Communication: Complete, with a grade of "C-" or higher, a basic public speaking course or other communication course.

A2: English Composition: Complete, with a grade of "C-" or higher, an English composition course that emphasizes essay writing or reading and writing concurrently.

A3: Critical Thinking: Complete, with a grade of "C-" or higher, a second semester composition or writing course, or a course in reasoning and effective argumentative writing.

[All Engineering majors are exempt from completing Critical Thinking as a part of the admission requirements. The Critical Thinking GE A3 requirement is completed through a series of upper- and lower-division design courses within the major requirements.]

B4: Mathematics/Quantitative Reasoning: Complete, with a grade of "C-" or higher, a mathematics course above the level of intermediate algebra.

Not all courses listed on this articulation agreement may be required for admission. Please refer to the admissions website below for more information regarding minimum admission requirements.

<https://www.cpp.edu/~admissions/transfer/requirements.shtml>

THIS IS AN IMPACTED MAJOR

Campus Impaction

"Campus impaction" means that a campus has reached its enrollment capacity for instructional resources and physical support and cannot accommodate all the eligible undergraduate applications it receives.

In this case, the campus has established a [local admission area](#) for upper-division transfers. This means that, in general, applications received from students from outside the designated local area will be held to higher admission requirements than those received from students inside the local area.

Local Area Admission Preference

Transfer applicants applying to an impacted major will receive "Local Preference" for admission consideration based on our [local area](#) designation. In addition, as a part of our commitment to provide access to veterans, Cal Poly Pomona gives "Local Preference" to all veterans regardless of their institution.

The following majors are impacted, but do not have supplemental requirements:

- Business Administration, B.S. - Accounting Subplan/Option
- Architecture, B.Arch
- Physics, B.S. - General Subplan/Option

ADDITIONAL ADMISSION INFORMATION

The Bachelors of Architecture (B.Arch.), is a five year professional degree program. Transfer students seeking second year placement, must have completed all lower-division general education and architecture courses required of first year CPP/ARC students. To be placed the in third year, a transfer student must have completed all lower-division general education and architecture courses required of CPP/ARC students in both the first and second years. Based upon a portfolio review and transcripts, most transfer students are placed in first year, some are placed in second year, and very few are eligible to be placed into the third year of the program. Therefore, applicants should apply with the understanding that they may be admitted to the program as first-year student if the requirements for entering 2nd year or entering 3rd year have not been satisfied.

Placement into second or third year may not account for all courses or units required to complete the degree. Some courses may be accepted for degree credit after a student has been admitted, and the transfer credits have been reviewed by departmental faculty. The CPP/ARC curriculum flowchart can be viewed at CPP.edu/arc.

Transfer students must have a 3.2 GPA or greater to gain admission into the architecture program. Not all students that have a GPA of 3.2 GPA or higher will be admitted as the number of students admitted each year is based on the number of spaces available. The admissions office selects students based on highest GPA and works down the list (from highest to lowest GPA) until all seats have been filled.

Transfer students who are offered admissions to the program, or are placed on a wait list for admission, will be invited to submit an 8 1/2" by 11" bound portfolio of their work so that the department can determine in which year of study each student should be placed. The department offers a portfolio workshop for accepted transfer students in early spring semester in advance of placement. The workshop provides advice and coaching to produce an effective portfolio, however the workshop does not guarantee advanced placement or a remedy for deficient work. THE PORTFOLIO IS NOT USED TO DETERMINE ADMISSIONS, IT IS ONLY USED TO DETERMINE PLACEMENT (1ST, 2ND OR 3RD YEAR). If no portfolio is submitted, students will be automatically placed in the first year design studio.

GENERAL EDUCATION REQUIREMENTS

Transfer students may satisfy General Education requirements by completing the CSU General Education Breadth Certification pattern, the Intersegmental General Education Transfer Curriculum (IGETC), or by completing an [Associate Degree for Transfer \(AA-T/AS-T\)](#).

Transfer students are advised to take courses required for their major as part of CSU General Education Breadth, as specified by each major, to achieve the minimum units to degree.

Major courses and campus-wide required courses that are approved for GE credit shall also fulfill (double count for) the GE requirement. [\[EO 1100\]](#)

For more information regarding Associate Degree for Transfer, please see your California community college counselor or visit: www.adegreewithaguarantee.com/

AMERICAN CULTURAL PERSPECTIVES (ACP) REQUIREMENT

The [American Cultural Perspectives \(ACP\) Requirement](#) is a graduation requirement. Courses satisfying this requirement may be part of either a student's General Education program, major, or minor. These courses may also be taken as electives. This requirement will not constitute an additional unit load on the degree requirements of students in any program. This requirement was implemented fall quarter, 1995.

To satisfy this requirement a student must take at least one four-unit course. Courses that meet the American Cultural Perspectives Requirement should satisfy all of the following criteria:

- Introduce theoretical perspectives and nonwestern/nontraditional approaches for studying gender, ethnicity, and class.
- Include the study of at least one other marker of social difference, such as sexual orientation, religious affiliation, national origin, etc.
- Include substantive materials (books/films/lectures/articles/etc.) by and/or about members of at least two of the following socio-cultural groups: African Americans, Native Americans, Chicano/Latino Americans, Asian Americans, Pacific Islands Americans, Middle Eastern Americans, and European/white ethnic Americans.
- Address intra-cultural differences as well as inter-cultural commonalities between groups that collectively represent the American population. The commonalities and differences may be examined by focusing on diverse cultural practices, environmental ethics, political histories, religious beliefs, or means of artistic expression.

The ACP Requirement section below contains articulated transfer courses approved to satisfy the ACP requirement at CPP.

GRADUATION WRITING TEST REQUIREMENT

All persons who receive undergraduate degrees from Cal Poly Pomona must pass the Graduation Writing Test (GWT). The test must be taken by the semester following completion of 60 semester units for undergraduates.

Certification of graduation writing competence shall be transferable from one CSU campus to another.

<https://calstate.policystat.com/policy/6945331/latest/>

ADDITIONAL DEGREE REQUIREMENTS

This by-major articulation agreement is not representative of all courses required for the undergraduate degree, such as upper-division courses numbered 3000 and above. Please refer to the online University Catalog webpage below for a comprehensive list of undergraduate degree

requirements.

MAJOR REQUIRED

ARC 1020 - Visual Literacy and Civilization: An Architect's View (2.00)

--- And ---

ARC 1022A - Visual Literacy and Civilization: An Architect's View Activity (1.00)

← No Course Articulated

ARC 3610 - World Architecture before the Renaissance (2.00)

--- And ---

ARC 3612 - World Architecture before the Renaissance Discussion (1.00)

← **ART 120** - History of Western Architecture from Prehistory to 1300 (3.00)

- *Content credit only*
- *No upper division credit*

--- Or ---

AH 2301 - World Art: Prehistory to Medieval Europe (3.00)

← **ART 101** - Art History: Prehistory - Gothic (3.00)

--- Or ---

ART 101H - Honors Art History: Prehistory - Gothic (3.00)

COM 2204 - Advocacy and Argument (3.00)

← **SPCH 104** - Argumentation and Debate (3.00)

ENG 2105 - Written Reasoning (3.00)

← **ENGL 102** - Critical Thinking and Literary Analysis (3.00)

--- Or ---

ENGL 102H - Honors Critical Thinking and Literary Analysis (3.00)

--- Or ---

ENGL 104 - Critical Thinking and Argumentation (3.00)

MAT 1060 - Trigonometry (3.00)

← **MATH 102** - Trigonometry (3.00)

PHY 1210 - Physics of Motion, Fluids, and Heat (3.00)

--- And ---

PHY 1210L - Laboratory on Motion, Fluids, and Heat (1.00)

← **PHY 105** - Algebra-based Physics:A (4.00)

--- Or ---

PHY 1510 - Introduction to Newtonian Mechanics (3.00)

--- And ---

PHY 1510L - Newtonian Mechanics Laboratory (1.00)

- *Acceptable substitute*

← **PHY 101** - Physics for Scientists and Engineers: A (5.00)

--- Or ---

PHY 101H - Honors Physics for Scientists and Engineers: A (5.00)

ENV 1010 - Introduction to Design Theories and Methods (2.00)

--- And ---

ENV 1010L - Introduction to Design Theories and Methods Laboratory (1.00)

← No Course Articulated

ARCHITECTURE STUDIOS/ACTIVITIES

ARC 1011L - Foundation Design 1 Laboratory (3.00) --- And --- ARC 1021L - Foundation Design 2 Laboratory (3.00) --- And --- ARC 1500A - Foundation Digital Design Activity (3.00)	←	ARCH 101 - Drafting and Basic Design (3.00) --- And --- ARCH 102 - Architectural Drafting and Design (3.00) --- And --- ARCH 120 - Residential Architectural Design I (3.00) --- And --- ARCH 125 - Residential Architectural Design II (3.00) --- And --- ARCH 105 - Perspective Graphics with Introduction to SketchUp and Rhinoceros (3.00) • <i>Articulation is subject to placement by portfolio review</i>
<p style="border: 1px solid red; padding: 5px; color: red;">These are the GCC classes that articulate with the Cal Poly Pomona B.Arch program.</p>	→
