Happy Holidays: Dia de los Muertos
All day on Instagram - Tag @GCC_ISO!

Day of the Dead (Dia De Los Muertos) is a two-day holiday that celebrates the lives of deceased loved ones; much like the Halloween tradition, it is believed that the dead can reunite with the living on these days. Families create *ofrendas* (offerings) decorated with bright yellow marigold flowers, photos of the departed, and the favorite foods and drinks of the ones being honored. The offerings are believed to encourage visits from departed souls as they hear their prayers, smell the food, and wish to join in the celebrations!
